

About Walk 'n Wag

Walk 'n Wag is a service learning project for the senior and junior high students at Noble Academy. The project has been organized through Noble Academy's unique skill building program. Students are encouraged to support their own academic environment as well as another organization that makes a difference in our community. Having such a hands-on role in the planning and organization of such an event helps our students become active in the community and will ultimately enhance their personal lives.

The Fall 2011 Walk 'n Wag is the third annual event for Noble Academy. Students benefit from the repeated opportunity to plan and carry out this event.

The students at Noble Academy have chosen Red Dog Farm as the other non-profit organization to receive proceeds from Walk 'n Wag. Many of our students have previous experiences volunteering with animal rescue organizations and are proud to help such a noble, local organization.

www.reddogfarm.com

In 2006, after privately fostering over 50 animals, Garland and Gary Graham decided to start a nonprofit rescue network to allow others to foster and donate. Red Dog Farm Animal Rescue Network is a public charity dedicated to the rehabilitation, fostering and adoption of animals of all sizes. The homeless animals in our rescue network are now spread out all over Guilford County in the care of volunteer foster families. Now that the rescue effort is headquartered out of our new office at Bur-Mil Park, we have a public location and welcome visitors to the office during our office hours (Mon and Wed from 2:30 to 5:30).
