

NOBLE ACADEMY'S

NEW FAMILY ORIENTATION

MONDAY, AUGUST 22

4:30 – 5:00 PM

We invite all new students and their parents to meet with counselors and Division Leaders for a short orientation session. You will learn helpful information about the “Noble Academy Way” and get all of your questions answered.

Immediately following this session will be the school-wide Meet Your Teachers Open House, where you and your student will be able to walk his/her schedule and meet all of the teachers.
