

Dear Fellow Noble Academy Parents,

Welcome back! On behalf of the Noble Academy Parent Faculty Association I hope you had a great summer. This is a very exciting time for the school community, just wait 'til you see the progress on the new addition.

As President of Noble Academy's PFA, I look forward to working hard to support the students, faculty, staff and parents. The PFA board is in place and ready to serve the school. We have a few familiar faces from last year's board as well as a few new faces. I want to thank them all for volunteering their time and energies.

Please keep a lookout for the PFA membership form, available at the Meet Your Teachers Open House on August 22 and in the first few Thursday Envelopes. As always, our goal is to have 100% of the Noble Academy's families participate in the PFA. All dues and fundraising money stays here at Noble Academy for programs aimed at improving academic and community life for all. Some of the programs scheduled for this year include:

- Fall and Spring Picnics
- Breakfasts for Students and Faculty & Staff
- Contributions to Student Scholarship and Teacher Support Funds
- Ice Cream Socials
- And more!

For the PFA to be really successful, your participation is necessary. Volunteering is a great way to see Noble Academy at its best – people helping each other, working hard and having fun. Someone from PFA will be available to speak with you about volunteering at Walk the Schedule Night to be held in September.

Your dues only pay for some of the programs sponsored by the PFA; fundraising does the rest. We will kick off our annual fall Innisbrook Fundraiser at the Meet your Teachers drop-in on August 22. We'll have great incentives for students, and we look forward to another successful campaign. We will also continue our Spirit Nights at Chick-Fil-A the 4th Wednesday night of each month. As always, all proceeds go directly to Noble Academy's programs for this school year.

The first general meeting of the 2011-2012 school year will be at the Fall Picnic on September 22. After this, the PFA Advisory Board meets in the Media Center on the second Tuesday of each month at 6PM. We encourage you to join us and share your ideas on how we can make the PFA better for all of us.

I look forward to serving you as PFA President this year. I believe the PFA should assist in making the Noble Academy experience as valuable and positive as possible for students, faculty, staff and parents. I know we can do that with your help.

Sincerely,

Missy Akin
President
Noble Academy Parent Faculty Association
